

Aetna® Back and Joint Care program

Back and joint health benefits at no additional cost

Musculoskeletal (MSK) issues are widespread and debilitating. They can cause significant pain, reduce quality of life and contribute to lost time at work. Fortunately, there are ways to treat these conditions that don't always need surgery.

Manage chronic back and joint pain through a partnership with Hinge Health

Digital exercise therapy can help with chronic back and joint pain. Digital therapy:

- Employs a 12-week program delivered via tablet and sensors
- Offers support with one-on-one health coaching and a physical therapist
- Provides more ease-of-use and engagement compared to in-person office therapy

Engage with a physical therapist virtually for more recent MSK issues

- Help alleviate acute musculoskeletal pain
- Get up to six virtual visits with a Hinge Health physical therapist
- Access our exercise therapy program via app

Avoid common MSK conditions through our wellness program

Our program is a customized digital solution. It can help prevent common job-related MSK conditions. Program offerings:

- Solutions developed and delivered through the Hinge Health app
- Features guided exercises and stretches to ease physical strain
- Provides individually tailored programs based upon your job and level of fitness

To learn more: Visit the Aetna Back and Joint Care Support Center

Available to eligible members 18 years and older.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).

Getting started

The Aetna Back and Joint Care program is included on your member website. It has a direct connection to the Hinge Health online screener.

The clinical screener ensures that the program is suitable for your condition.
